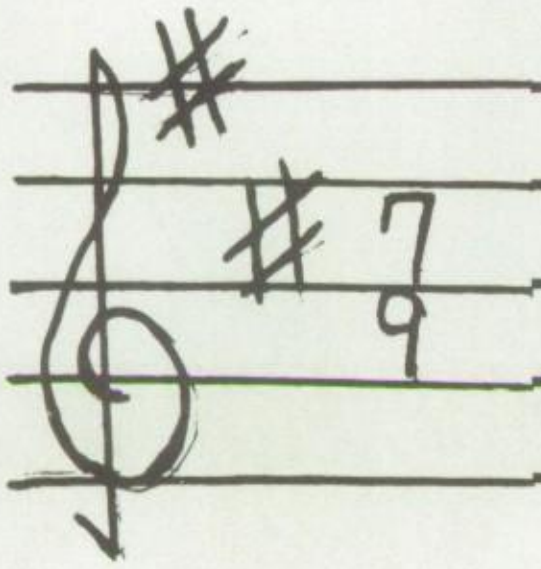
Words and Music By:

The Class of 1979



Friday night, it was late, I was walking
you home, we got down to the gate and
we were dreaming of the nights . . . . .
Had they turned out right?

Do you remember that first day in September?
The excitement and the tears?
We started with our crayons and ABC's.
Quickly the years passed.

We were making friends for the world to see.
Just think how fast the time has gone.
Jr. High has come and gone with memories that will last forever
Our Sr. High years have brought us closer together

Remember being nearly bankrupt, The "Gong Show" and our many escapades?
Remember "You Can't Take It With You"?
Only the memories remain. It may be considered an end —
But we've really only just begun . . .

FUTURE HOMEMAKERS OF AMERICA

The 1978-79 FHA, with advisor, Mrs. Karen Thomas, conducted several fun, service, and money-making activities. The fall season included a UNICEF drive and attendance at the FHA District Rally in Clayton. Winter brought the Christmas party, participation in the Cystic Fibrosis Skate-a-Thon and in the PTSF Christmas bazaar, as well as winter camping, operating a food stand at the Ice Fishing Derby, having a clothing party, and presenting a display for National FHA week. Highlighting spring, were the Easter party for ARC children, a dinner theater with the Theater Arts Club, and the state convention at Grossingers.

THE WEEK

THE PARTIES AFTER

VARSITY FOOTBALL

The football team concluded the 1978 season with a record of 2 wins and 7 losses. The team started in an auspicious manner, winning the first two games, but a long 9 game schedule against "A" Division teams took its toll. In spite of a lack of numbers, the team gave a good account of itself in nearly all of their games. Richard Smith and Jeff Kenny were honored at the end of the season, by being selected to the All Star Team. Seniors who will be greatly missed for their contribution this past season are: Mark Murdock, Jack Spencer, Paul Davis, Mark Breuer, Al Bradberry, and Carl Sherman.
